List of Public Comments emailed to Panel on 09 27 2016.xlsx

All,

Attached are the written public comments that have been submitted to the FIFRA SAP and posted in the public docket as of today. These are accessible through the docket link that I've provided previously (<https://www.regulations.gov/docket?D=EPA-HQ-OPP-2016-0385>). I will be sending you any additional public comments that we receive. Please review these materials as you prepare for the meeting.

Please note that the EPA's issue paper, supporting documents, and some public comments reference or include documents that are protected by copyright. If you are unable to access copyrighted materials that you believe are important for your review, please contact me.

Please let me know if you have any questions.

Thanks again.
